

# VISION 2050

A Flight Plan for San Antonio's Future

## Community Advisory Committee

The Community Advisory Committee includes members of the Airport Advisory Commission, neighborhood leaders, business leaders and leaders of special interest groups who will offer input on historical, community and regional information that will be considered in creating the Vision 2050 Airport Master Plan. The members will advise on community concerns and goals as input to the airport plans. The committee will meet approximately 6 times over the 18-month project duration.
